

# The Principles of Enabling Good Lives

A fundamental set of principles that underpins future disability supports:

➤ **Self determination**

*(I can determine what I want in my life, when I want it, and how I want this to look)*

➤ **Beginning early**

*(I have information at the beginning of my journey)*

# The Principles of Enabling Good Lives

**A fundamental set of principles that underpins future disability supports:**

- **Person centred (person directed)**

*(I decide)*

- **Ordinary life outcomes**

*(I have the same opportunities as all citizens in my community)*

# The Principles of Enabling Good Lives

**A fundamental set of principles that underpins future disability supports:**

➤ **Mainstream first**

*(I have access to **ALL** things in my community)*

➤ **Mana enhancing**

*(I am admired and respected for who I am)*

# The Principles of Enabling Good Lives

**A fundamental set of principles that underpins future disability supports:**

➤ **Easy to use**

*(I can easily access what I want)*

➤ **Relationship building**

*(Positive, respectful, and reciprocal relationships are experienced)*
